

Product: Multiple Products – Announcing Restrictions on Hazardous Substances (RoHS) Compliant Products

Product Bulletin Number: PB628

Dated: June 7, 2006

PSC Announces First Group of RoHS Compliant Products

PSC is committed to supporting the directive of the European Union (EU) on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS) and the EU Directive on Waste Electrical and Electronic Equipment (WEEE).

As part of this commitment we are pleased to announce the availability of the first group of RoHS compliant products. These products include:

Product Description	Non-Compliant Part Number Format	RoHS Compliant Part Number* Format
Magellan 2300HS Ω	M23XX-XXXXX-XXXXX M23XX-XXXXX-XXXX M23-XXXX M23-XXX	M23XX-XXXXX-XXXXXR M23XX-XXXXX-XXXXR M23-XXXXR M23-XXXXR
Magellan 2200VS Ω	M22XX-XXXXX-XXXXX M22XX-XXXXX-XXXX M22-XXX M22-XX	M22XX-XXXXX-XXXXXR M22XX-XXXXX-XXXXR M22-XXXXR M22-XXR
QuickScan QS6500BT	QS65B-XXXXXXXX-XXX QS65B-XXXXXXXX	QS65B-XXXXXXXX-XXXR QS65B-XXXXXXXXR
QuickScan QS6500	QS65-XXXXXXXX-XXX QS65-XXXXXXXX	QS65-XXXXXXXX-XXXR QS65-XXXXXXXXR
QuickScan QS2500	QS25-XXXX-XX QS25-XXXX	QS25-XXXX-XXR QS25-XXXXR
Decoders (Master B/BB)	9XXXXXX	9XXXXXX-R

The table above shows the new RoHS numbering schemes for all products that are currently RoHS compliant. The basic rationale for the new product numbers involves simply adding an “R” to the current part numbers. The “R” is added to the very end of the current part number.

Announcements of additional RoHS compliant products will follow shortly.

RoHS compliant products sales and deliveries will be prioritized to the European Union (EU) countries that require compliance until all production for these products has been transitioned to compliant versions. PLEASE BE AWARE THAT ALL NON-RoHS MODEL NUMBERS WILL CONTINUE TO BE VALID AND ORDERABLE.

For More Information

For more information on lead times and availability regarding PSC products and RoHS compliance, please contact PSC or your PSC representative.
